On 04/20/15, the Victim was standing in front of a MUNI bus stop 20' south of California/Park Presidio Sts. The Victim had a brown Gucci purse over her left shoulder. Two Suspects came up from behind, ripped the purse from her shoulder and knocked her to the ground. Victim and witness chased the two Suspects to a waiting car that fled north bound on Park Presidio towards the Golden Gate Bridge. Vehicle is described as follows:

Faded black 4 door sedan with a possible CA LP 7---121.

Suspect descriptions are as follows:

S2: Hispanic male, 18-20 yrs old, 6'1, 150 lbs. Last seen wearing all black clothing and hat.

Loss is:

Brown Gucci purse, valued \$700.

Coach wallet, valued \$200

US Currency in the amount of \$10,000 in unknown denominations.

I have reason to believe that the suspects went north over the Golden Gate Bridge due to evidence that was recovered by a construction worker at the GGB.
